

Dear JBE Families,

In an effort to continue our annual Veteran's Day Celebration, this event has been moved to a virtual format! Students will have the ability to virtually view the morning's Flag Raising and hear from an amazing keynote speaker! Following the Flag Raising Ceremony, we hope that any of you who presently serve or have served our country in the various branches of the Armed Forces will agree to virtually speak to a class (for about 15-20 minutes). During this time, you can share information about your job and the service that military men and women provide for our country. We would love to have you show up virtually in uniform!

When: Tuesday, Nov. 10th, 2020
Flag Raising & Keynote Speaker (8:45-9:15 a.m.)
Classroom Speaker Presentations (9:20-9:40 a.m.)
Where: Virtually (link will be sent by your child's teacher)

Please complete and return this form (hard copy for brick and mortar students and email for Duval Homeroom students) by NO LATER than Monday, 11/2/20. If emailing the form, please send it to Katherine Andrews at andrewsk@duvalschools.org.

.....
Military Parent Name _____ Email _____
Student Name _____ Phone _____
Teacher _____ Grade _____

RSVP:

- I am willing to virtually speak to my child's class about my job and military service.
- I am willing to virtually speak to a class in the school (other than my child's) who may not have a military parent.

Parent Signature _____
